to the class of 2017,

It is with great pleasure and pride to be able to write a message to you in your yearbook. I feel fortunate to be the principal of Mansfield High School and to be part of your academic and personal growth.

I remember challenging all of the members of the Class of 2017 on the opening day of school to set a positive example in the classroom, in the hallways, and in your extracurricular activities. You exceeded my call to be role models for the underclassmen, as well as respectful ambassadors of our school community. Your work was exceptional. You have donated many hours of volunteer work to countless number of charities. You have added to the successful legacy of our academic, athletic, and arts programs.

Congratulations to the Class of 2017. On behalf of the faculty and staff, we thank you for your achievements and contributions. We are proud of you and wish you success and happiness as you move forward with your post high school plans.

Upon your graduation you will become a member of the MHS alumni. We hope that you are proud of this and look back upon your time as positive and enriching. I urge all of you to stay in touch and to stay connected to the community that helped to foster your development over the past thirteen years.

Respectfully,
Michael T. Connolly

to mrs. dumont,

Thank you for **all that you have done for the Class of 2017.** Your endless support and hard work has created **numerous memories for the graduating class.** From coordinating car washes on Saturday mornings to selling baked goods at conferences, pulling together the elements for a wonderful prom to planning the hilarious night of Mr. Mansfield, **your dedication to the class is more than appreciated.** We can't thank you enough for all that you have done to make our four years here so special!

The Class of 2017 also like to thank and honor the other staff members who have served as class advisors.
Thank you for everything!

Mrs. Cileno Mrs. Palmieri Ms. Brooks

spirit days

MHS students went all out for this year's spirit week! After the Columbus Day weekend, students and staff returned to school in their comfiest wear for PJ Day. On Wednesday, everyone was asked to pull out their Hawaiian shirts and sandals for Tacky Tourist Day, while on Thursday, classes were each assigned a time period for Decades Day. The week finished off with Green and White Day in honor of the homecoming game. More spirit days were later added in the year to show off further Hornet pride!

homecoming

This year's homecoming was a celebration of school pride. The pep rally, a longstanding tradition at MHS, featured students and staff in an entertaining tug-of-war competition - some teams lost players, others had to wear oven mitts, and the seniors were forced to do it with only one arm! The homecoming court was announced, as were the accomplishments of various teams and groups. That night, the Mansfield community gathered to cheer on the football team against Franklin; they won 42-7.

[3] Despite a few musical technical difficulties, the cheerleaders were still able to perform their routine - which involved quite a bit of balance!

[5] The senior class still won the student tug-of-war even with various obstacles, like blindfolds!

Next Steps is exactly as it sounds: special education students graduating and moving on to be more independent. They are ready for the next thing in their lives and are given more opportunities around the town like working with Grogans, Longhorn, and the elementary schools. Giving back to the community, the students in the Next Steps program are learning new skills and helping everyone in the process!

marching band

The Marching Band competed across New England during the fall season for the first time in nearly twenty years. After competing in the 2016 New England Scholastic Band Association Championships, the band was the Division 4 Champion Runner-up. The Marching Band won the best percussion trophy and was awarded a platinum medal. The band performed their show entitled "Young and Beautiful", which was a take on the story of the wicked witch from Snow White. Then in February the Marching Band then stopped off in Disney World. After enjoying some beautiful Florida weather, the Marching Band performed a parade on Main Street USA in the Magic Kingdom.

about the **show**

The Mansfield High School Percussion Ensemble performed their show entitled "Letters Home", which followed the story of a solder in Iraq writing letters to his daughter. Just when tragedy strikes and the audience is lead to believe all is lost, the father returns home to reunite with his daughter. This show was a tribute to all of the soldiers past and present who have fought for our country. The Percussion Ensemble earned second place in the NESBA Percussion Finals Scholastic Open Class. MHS Percussion competed in WGI World Championships for the eleventh time in the past twelve years.

about the **show**

The color guard had a terrific year of competing, finishing in the top 3 of their class with their show entitled "Home." The color guard teams competitions started in late January. They were a part of the National Class this year, so they were ranked among the rest of the country. They were consistently ranked in third place for a majority of the season, but they would fight with Billerica High School for the second place spot.

fall plays

This fall, the MHS performing arts performed a night of one acts: the drama "Eurydice," directed by students Brigid Connery and Amanda Holbrook and the comedy "Black Comedy," directed by drama and choir teacher Mrs. Newton. Audiences enjoyed both shows, including the performances of first-time MHS actors Brendan McKenna, Devlyn House, and Gus Huiskamp. Eurydice later traveled to the Massachusetts Educational Theater Guild One-Act Play Festival in the spring.

Where to begin??? The amazing staff I have... the welcoming you receive at all times, shocking and efficient as the day is long. Forever smiling and upbeat, willing and able to work their magic, seemingly making the impossible possible. Dr. Andrea didn't mind me to extend her schedule two days in advance to provide my immediate dental comfort with addressed and relieved [illegible] time. [illegible] comprehensive toy toy soft food and confident demeanor. There are few words written by vernacular ready available to compile a proper appraisal of the overall Dynamic Dental experience, so I'll keep it short & to the point. [illegible] I would highly recommend Dynamic Dental to anyone!" – **Angelina E.**

"Dynamic Dental is a place in the old school, small town, you see the same people at the same stores, and they're always super friendly. A level of service that, well, overly impresses. My kids demand to go early to their appointments (they have a game room with pedal modified and an XBOX) Did I mention the technology they have? It's all new, relaxing and excellent. Seriously. Why would you go anywhere else?" – **Heather J.**
